

Sofa Raiser

MF 2/1

The safest way to raise a sofa or even a chair that has feet wider spaced at one end. The blocks are connected with a telescopic section that expands easily and clamps rigidly to the perfect length to suit your needs..

- **Re Issuable** - Robust timber / steel construction enables this item to be re issued easily.
- **Cost effective** - Our raisers sold 25 years ago are still in service today.
- **Easy to fit** - Telescopic adjustment ensures you get the perfect fit easily.
- **Safe** - Independently tested for strength and stability to ensure your safety.
- **Max user weight** - 380Kg + the furniture.
- **Sofa stays in place** - Large 90 x 90 non slip rubber pad ensures the foot of the bed stays in place and fits securely.
- **Good design** - The lip around each pad is 20mm high.
- **Increased stability** - with splayed feet.

Guarantee

1. Delivery within five working days from order or we will treat your entire department to a morning tea.
2. The equipment will fit or we will customise one that will.
3. The equipment will retain its original function for at least two years or we will replace it at no extra cost.
